

DESCRIPTION

Constructed with robust canvas and stone pillars, simple yet elegant concept, furnished in a contemporary safari style featuring African fabrics. Each tent offers a comfortable bed, en-suite bathroom and shower facility. The veranda overlooks the savannah, a perfect setting to relax, read a book or gaze into the night sky.

Arrival area is deliberately set aside from the tents in order to maintain the tranquility of the site. The tented rooms are widely spaced to ensure privacy and offer you a real sense of freedom.

Every tent is surrounded by a diverse range of plant life and has fine views of the surrounding terrain. A walkway leads you to stunning bar, dining, fireplace, swimming pool and relaxing lounge area that opens on to a raised deck where you can admire the Game Filled plains. Meals are taken in the adjoining restaurant.

Grumeti Migration Camp is operated under *Rough Tracks Ltd* and ensures that experienced staff maintains a discrete but friendly presence in order to preserve the serenity of the unique and exclusive accommodation.

DINING

Delicious dining is guaranteed with an emphasis on fresh, seasonal products and even some specialty of local dishes. All meals are prepared by our professional chefs to the highest hygiene standards. Whether it is around the fire in the open air or from the classically appointed dining room, savour our culinary delights. Ensure plenty of time to enjoy our finest wines or a cool beer. Special dietary requirements can be catered for, subject to availability. Please prearrange.

SAFARI CLOTHING

We suggest non-synthetic, comfortable fitting, neutral coloured clothes. Bright coloured clothing should be avoided as it makes you very conspicuous to the Wildlife especially on a nature walk. White clothes will show up dust and dirt. Khaki, brown, and olive colours are ideal. Although, the days in Africa can be blisteringly hot, the temperature will sometimes drop at night. Simple light wear safari shoes or sneakers are most sensible.
